PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Since June 1, 2007, the Department of Children and Family Services (DCFS) has leased 73,595 rentable square feet of office space and 300 parking spaces at this location for the East and West San Fernando Valley regional service areas.

DCFS provides services to families in crisis with the primary goal of maintaining the family unit and reunifying families as quickly as possible. The program provides comprehensive direct full service child protection systems of prevention, preservation, and permanency planning to ensure that children grow up safe, physically and emotionally healthy, educated and in permanent homes. The Adoption units are responsible for assessing child adoptability, case management and supervision, and providing services involving the finalization of the adoption process. Revenue Enhancement units provide support to social workers assisting in finding placement for children that must be detained in out-of-home care. The proposed lease renewal will continue to provide the uninterrupted support of these operations allowing for the department's goal of reuniting families in the shortest period of time possible. The office has public intake, and is in close proximity to public transportation routes.

The Chatsworth regional office provides a comprehensive full service direct child protection system dedicated to the safety of children within its care, and the reduction of the time line related to permanency for children within the care of the program and the reduction of reliance for out-of-home care. These outcomes are achieved largely through the work of Emergency Response, Family Maintenance and Reunification, and Permanent Placement Children's Social Workers, in collaboration with support staff, and staff from other departments co-located at this office.

In addition, smaller programs designed to enhance direct services to children and families are also housed within this facility. Examples include, but are not limited to, Family Group and Team Decision making, Department of Mental Health/DCFS collaboration for improving mental health, and permanency outcomes for foster children, Adoption Safe Families Act staff, Department of Public Social Services' Linkages, and contracted Education Liaisons.

The facility currently houses approximately 456 staff positions and services approximately 52 client visits per day. Parking is located adjacent to the subject facility with valet service to optimize parking capacity.

Renewing the lease will provide the opportunity to complete the due diligence process associated with an eventual transfer of the applicable regional office(s) as deemed appropriate to an alternative future location. In order to maintain vital services and accommodate the existing program, and in consideration of long-term strategies of the department within Service Area 2, DCFS has requested renewal of the lease, which will retain an annual cancellation right provision.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan Goal of Operational Effectiveness (Goal 1) directs that we maximize the effectiveness of processes, structure, and operations to support timely delivery of customer-oriented and efficient public services. In this case, the County of Los Angeles (County) is supporting the goal by providing an office in the community it serves, to increase effectiveness and enhance customer service, providing responsive services to the public.

FISCAL IMPACT/FINANCING

The proposed option to renew the existing lease will provide DCFS uninterrupted use of 73,595 square feet of office space and 300 parking spaces at an initial rent of \$123,709 per month, or \$1,484,512 annually.

Sufficient funding for the proposed lease renewal is included in the Fiscal Year (FY) 2012-13 Recommended Rent Expense budget and will be charged back to DCFS. DCFS has requested sufficient funding in its FY 2012-13 operating budget to cover the projected lease costs.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

A notice of intent to exercise the option to renew has been adequately provided to the Lessor. The lease renewal requires your Board to exercise the option and contains the following terms and conditions.

- Commencement of the lease renewal on June 1, 2012, and expires two years thereafter.
- There is a cancellation provision allowing the County to cancel at the annual anniversary date of the lease renewal with 180 days prior written notice during the two-year term.
- The lease includes 300 valet operated parking spaces.
- The lease continues on a modified full service gross basis whereby the Lessor is responsible for the operating and maintenance costs, less utilities.
- The rent under the lease renewal will be subject to automatic 3 percent increases of the base monthly rent, or \$43,238 for the initial year of the lease renewal.
- There are no tenant improvements included or necessary with the renewal of the lease.

The Chief Executive Office (CEO), Real Estate staff conducted a survey within the search area to determine the availability of comparable and more economical sites. Staff was unable to identify any sites in the surveyed area that could accommodate this requirement more economically, nor are there any County-owned or leased facilities available for this program. Based upon said survey, staff has established that the base rental range for similar property is between \$16.80 and \$29.40 per square foot per year on a modified full-service gross basis, without parking. Thus, the base annual rent of \$20.17 per square foot per year on a modified gross basis, including parking, for the proposed lease represents a rate within the market range for the area. Attachment B shows County-owned and leased facilities within the search area for these programs and none are available to house these programs.

The Department of Public Works previously inspected this facility and its recommendation concluded the facility met the County's requirements for use by the County.

NEGATIVE DECLARATION/ENVIRONMENTAL IMPACT REPORT

The CEO has concluded that this project is exempt from California Environmental Quality Act (CEQA) pursuant to Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by your Board, and Section 15301 of the State CEQA Guidelines (Existing Facilities).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The proposed lease renewal will provide the necessary office space for this County requirement. DCFS concurs with the proposed lease renewal.

CONCLUSION

It is requested that the Executive Officer, Board of Supervisors return two certified copies of the Minute Order and the adopted, stamped Board letter to the CEO, Real Estate Division, 222 South Hill Street, Los Angeles, CA 90012.

Respectfully submitted,

WILLIAM T FUJIOKA
